Phil--we currently have a subscription to Petroleum News, and Marla distributes it electronically to the Oil & Gas Sector team members on a weekly basis.

Marla--can you please add Phil to the distribution list for our on-line Petroleum News subscription?

Marcia, Greg and/or Michael,

Do we have \$59 for me to subscribe to the weekly on-line version of Petroleum News? They have a section called North of 60 Mining News. I have found many useful news items that keeps me up with the mining world in Alaska (and Canada). That is where I first heard about the expanded mineral exploration in Bristol Bay.
